Free Number Tracing Worksheets 1–20 for Preschoolers

Teacher and Parent Guide

27 pages: 20 number worksheets, 5 review pages, this guide and a completed example.

Print on US Letter paper at Actual Size / 100%. Choose one worksheet at a time.

Color the large numeral. Follow the starting dots and arrows on the model.

Trace the smaller numerals. Lift the pencil between numbered strokes.

Touch and count each picture once. Rows of five organize larger quantities.

Circle every matching number. Try writing it on the blank line.

For 10–20, write the tens digit first, then the ones digit.

Review answers: page 22: 2, 3, 5. Page 23: 2, 4, 7, 9, 12, 14, 17, 19.

Page 24: draw 1, 2, 3, 4 things. Page 25: match 2 to 2, 4 to 4, and 3 to 3.

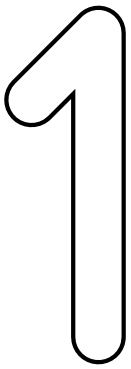

Page 26: missing numbers 1, 3, 5, 7, 9. Then write 2, 4, 6, 8, 10.

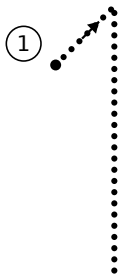

Page 27 shows completed tracing, counting and number recognition. Coloring is optional.

17 16 18 17 19 17

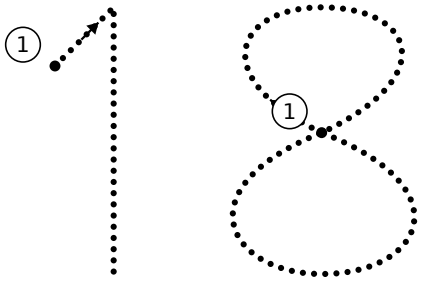

5 Write it yourself.

Explore Number 18

Name: _____

1 Color. **Follow the model.**

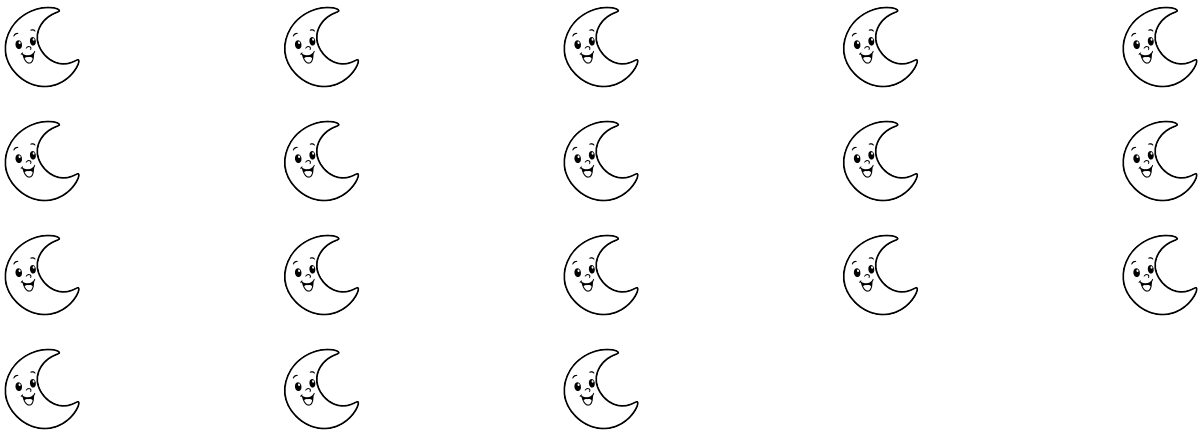

2 Trace the numbers.

18 18 18 18 18

3 Count and color each picture once.

4 Circle every 18.

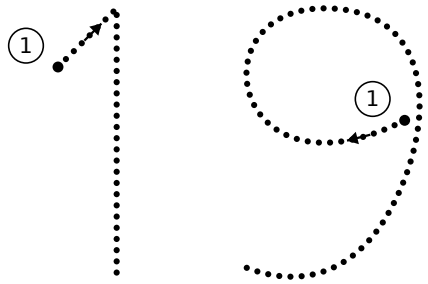

18 17 19 18 20 18

5 Write it yourself.

Explore Number 19

Name: _____

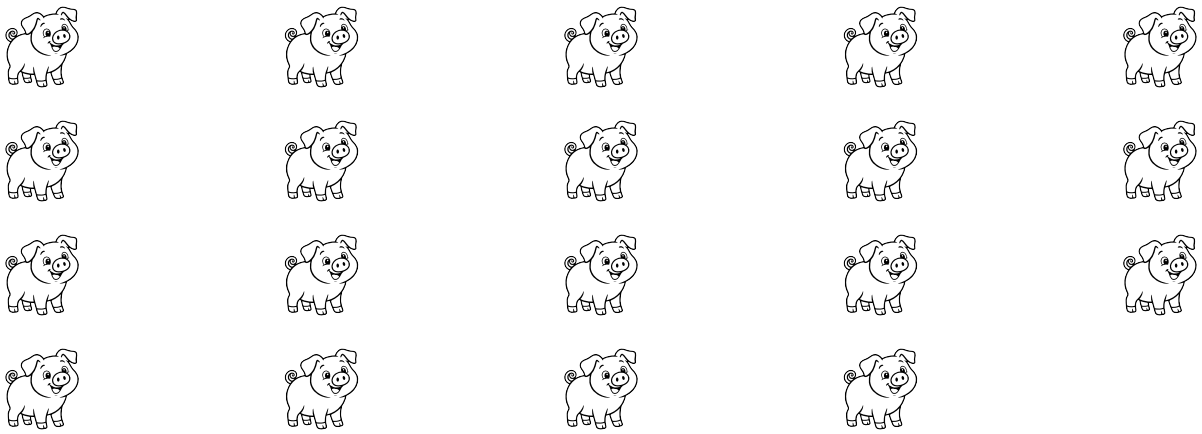

1 Color. **Follow the model.**

19 

2 Trace the numbers.

19 19 19 19 19

3 Count and color each picture once.

4 Circle every 19.

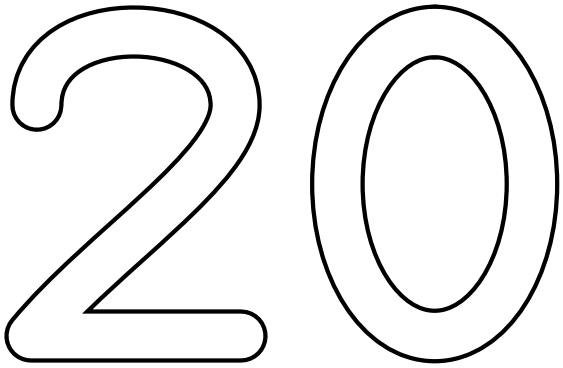

19 18 20 19 21 19

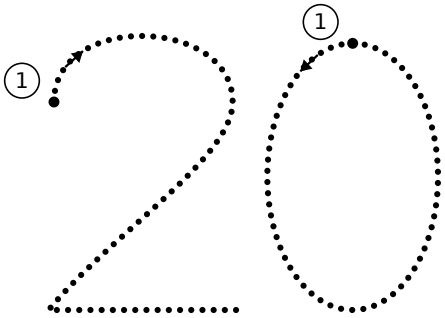

5 Write it yourself.

Explore Number 20

Name: _____

1 Color. **Follow the model.**

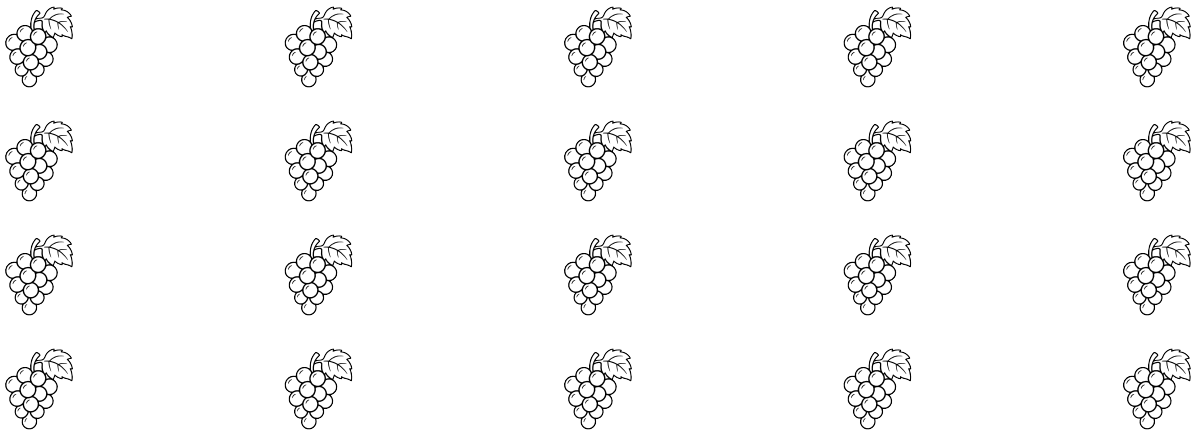

2 Trace the numbers.

20 20 20 20 20

3 Count and color each picture once.

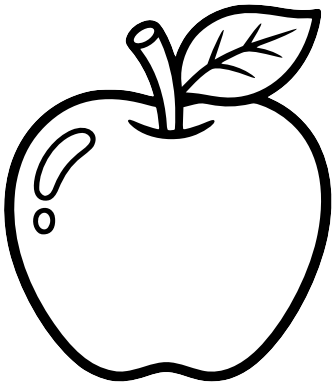

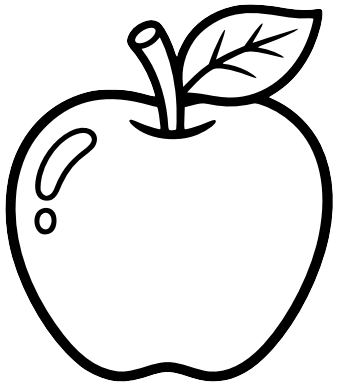

4 Circle every 20.

20 19 21 20 22 20

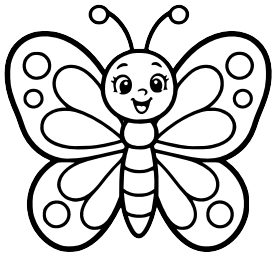

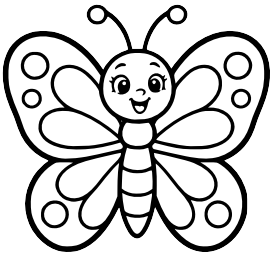

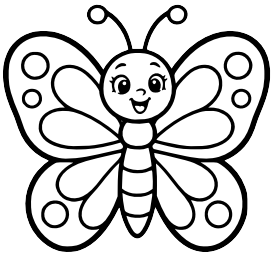

5 Write it yourself.

Review: Count and Circle

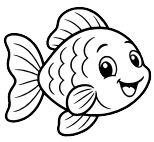

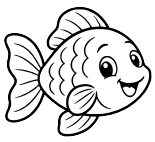

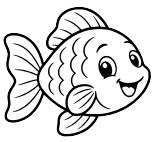

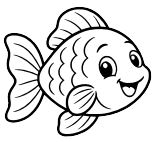

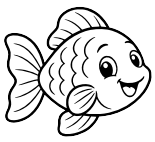

Count each group. Circle its number.

3 2 1

4 3 2

6 5 4

Review: Missing Numbers

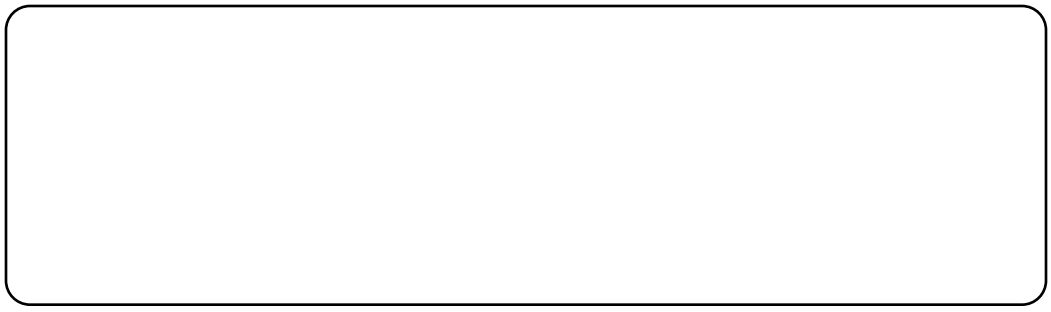

Say the numbers. Write the missing numbers.

1	____	3	____	5
6	____	8	____	10
11	____	13	____	15
16	____	18	____	20

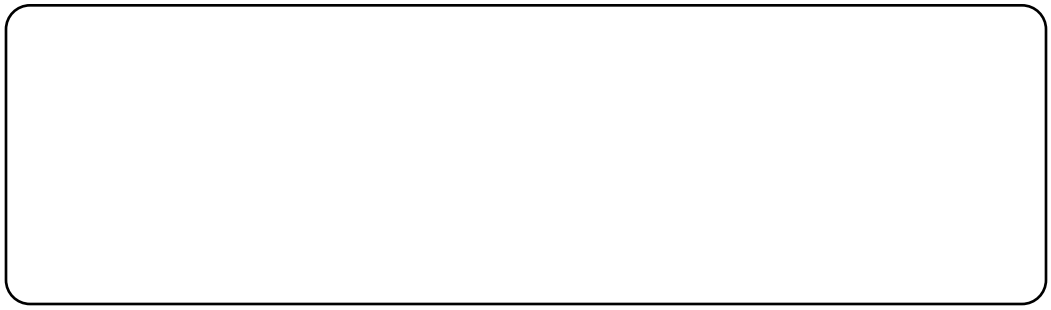

Review: Count and Draw

Trace each number. Draw that many things in its box.

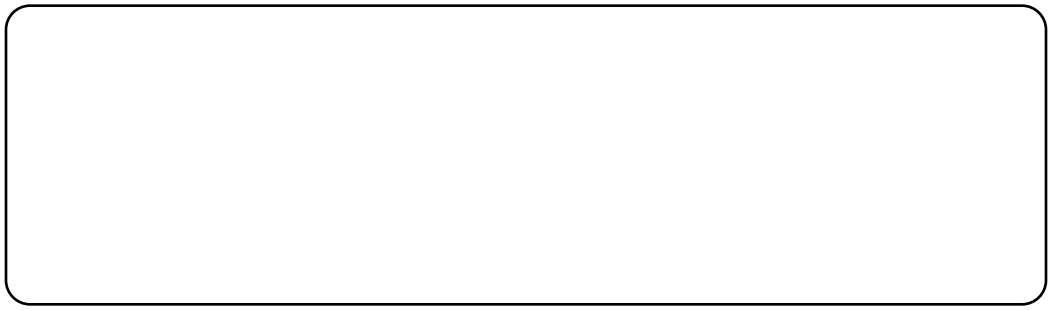

1

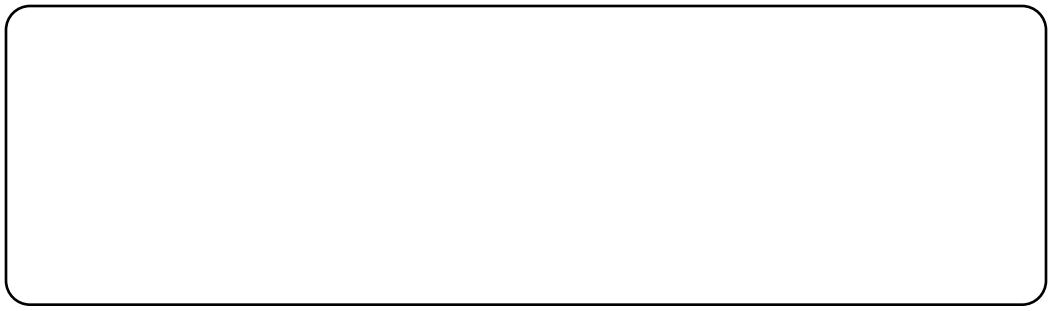

2

3

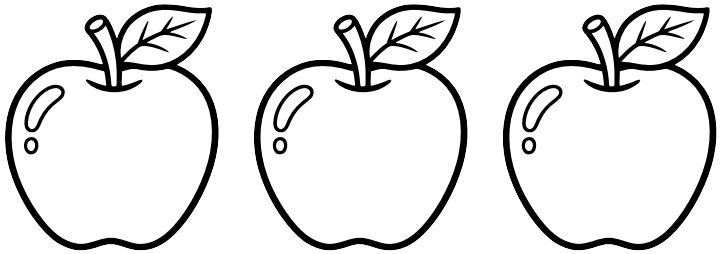

4

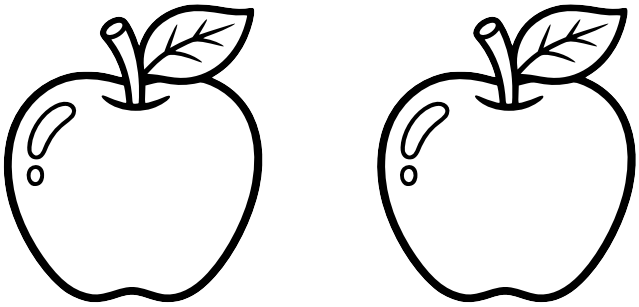

Review: Match the Groups

Draw a line from each numeral to its matching group.

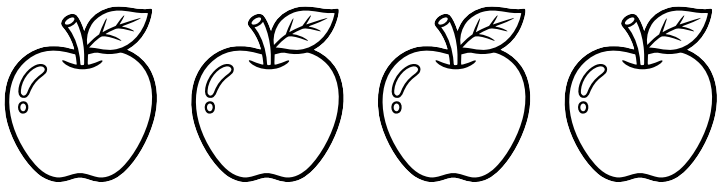

2

4

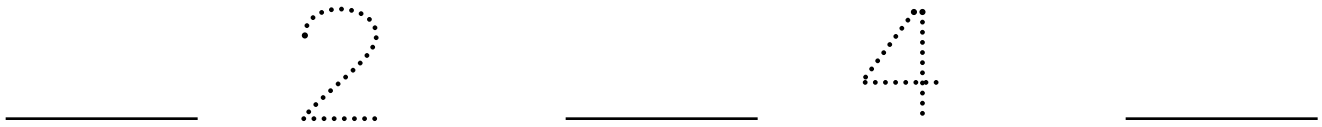

3

Review: Number Order

Fill the missing numbers. Trace the numbers that are shown.

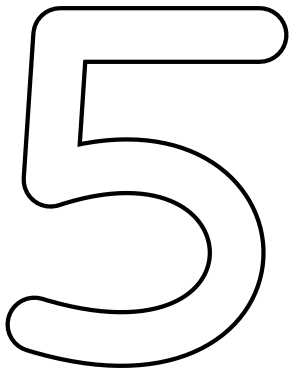

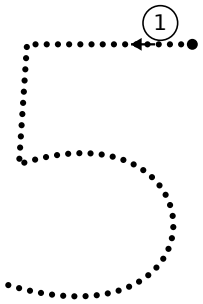

Write the even numbers from 2 to 10 below.

Completed Example: 5

Name: Sam

1 Color. **Follow the model.**

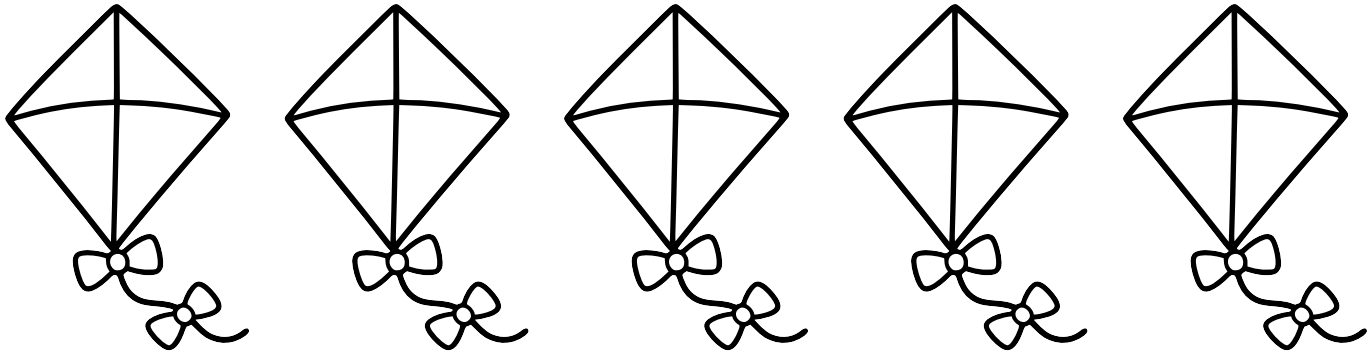

2 Trace the numbers.

5 5 5 5 5

3 Count and color each picture once.

4 Circle every 5.

5 4 6 5 7 5

5 Write it yourself.
